

City & Guilds Confined Space Course Content – 2 Day

For persons nominated to work in or at Confined Spaces where work has been assessed and classified as NC2 or NC3 (Medium Risk) under the Water UK scheme and who require pre-assessment training to prepare them for assessment in City & Guilds 6150-02.

This is a City & Guilds of London Institute certified competency based training & assessment course.

Course Content

Along with gaining a sound understanding of the Confined Space Regulations (1997), learners will be able to:

- Prepare to work safely in medium risk confined spaces
- Enter & exit confined spaces safely
- Prepare & use appropriate respiratory equipment (RPE) for escape purposes in accordance with manufacturers' specifications
- Use equipment & tools safely & in accordance with manufacturers' instructions
- Follow procedures & work safely
- Deal with emergencies
- Use appropriate behaviour for working in medium risk confined spaces in the water industry
- Use appropriate water industry knowledge for working in medium risk confined spaces
- Apply relevant water industry standards for working in medium risk confined spaces

Training Information

Candidates should wear suitable clothing; Safety Footwear, Suitable Trousers etc.

The learner will be given the opportunity to show they can resolve problems through evidence gained during practical exams
